THE SAFE AND SECURE MOBILE PIPE STORAGE SOLUTION...

Stop your valuable pipe from going missing whilst keeping it organised and easy to manoeuvre.

With the price of copper constantly on the increase, the PIPESTOR is the perfect option for securely storing 3m or 6m lengths of pipe...

- Heavy duty steel construction
- Secured with a 5-lever deadlock
- Fully mobile - fitted with 6 swivel castors
- Extra segments available to extend it from 3m to 6m
- Can be easily dismantled and stacked when not in use
- Inside divided into 4 separate compartments
- Fork lift skids for easy transportation
- Serial numbered for replacement keys

Sizes & variants available:
