Cutting Station 900S

- Innovative 'cut out front' to allow easy loading of long work pieces
- Fire resistant 'O' Rated foam minimises fire risk & noise pollution
- Optional factory or retro fitted extendable canopy to further protect other workers
- Socket for site 110v power supply wired to internal sockets and light within cutting area and twin sockets in cabinet area
- Safety—light is on when unit is powered
- PVC curtains isolate and protect from sparks
- Adjustable multi-function extending support arms with rollers to support material being cut
- Thick rubber mat provides a good grip for a chop saw and reduces vibration
- Lockable cabinet beneath workbench area
- Five lever deadlock to cabinet door
- Powder coated for maximum durability

PROTECTED BY PATENT
