

Totebox ALCs

No container protects your products like Totebox ALCs (Attached Lid Containers). ALCs stack with lids closed (protecting contents from knocks, theft and rain) and nest with lids open (saving valuable space on the return journey or in storage).

For tamper evident security, the hinged lid inhibits theft when fitted with a security seal at both ends.

Strong and impact resistant, Toteboxes typically stack seven high carrying a 35Kg unit load and nest by up to 78% to save valuable space on return transport.

Totebox ALCs are available in a wide range of colours.

20 litre ALC

Attached Lid Container

Ref: 10020
Ext dim: 400 x 300 x 252 mm
Int dim: 325 x 246 x 222 mm

Dollies stack for easy storage when not in use.

Ref: TBX86D

Dim: 800 x 600 mm

Max load: 250 Kg

Colour: grey

Euro Stacking Containers

Available in both solid and ventilated formats, Euro stacking containers are ideal for a wide variety of industrial storage and handling applications.

All models inter-stack to form compact handling units. 400x300mm models stack 2-up (side-by-side) on 600x400s, etc.

All coloured containers (red, blue and grey) are manufactured in food-safe material and suitable for direct food contact. Ventilated models promote airflow in fridges & freezers, which helps the contents reach the desired temperature quickly.

Black models are manufactured in recycled plastic.

Guaranteed food-safe.
Optional accessories:
● Lid ref. TBOX86LID/G (61087G)

Pallet Boxes

Hygienic, strong and stable; Totebox plastic pallet boxes are ideal for heavy duty handling applications in both food and non-food industrial environments.

Smooth surfaces and curved corners, free from dirt traps, are quick and easy to clean and protect contents from damage.

Containers stack 10 high carrying unit loads of up to 500 Kg.

Ventilated models are ideal for use in fridges and freezers; ventilation holes promote air flow, speeding chilling and helping to maintain a constant temperature.

625 litre Pallet Box

Solid pallet box on 4 feet

Ref: TBOXPB1210/G
Ext dim: 1200 x 1000 x 760 mm
Int dim: 1120 x 920 x 610 mm
