GX	Graphite Grey (BS5252 18 A14) - frame uprights, accessories*
GT	Pre-galvanised material - frame bracing ties, shelf panels
OR	Orange (RAL2000) - beams, accessories*
1M	High visibility Yellow (RAL1021) - rack protection
GU	Light Grey (RAL7035) - accessories*
ZC	Zinc Plated accessories

*As indicated in part number

General conditions

- Orders must clearly state any specially agreed terms, prices and discounts with any appropriate reference numbers.
- Order cancellation is subject to agreement and if accepted, could attract a charge of up to 100% of the order value.
- On occasion we June need to discuss additional delivery charges for locations outside our standard delivery routes.
 - Order acknowledgements will always show the LATEST planned deliver by date, unless specific delivery dates have been agreed.
- All list prices exclude VAT, which will be charged at the ruling rate at point of invoice.
- Credit Card payment facilities are available.

Delivery conditions

- List prices are inclusive of standard delivery within the UK mainland only, Monday to Friday 8am to 5pm. All other deliveries on request.
- Orders may be despatched on multiple vehicles which may arrive on different days.
- The additional charge for a nominated delivery date for products will be £100.
- For a specific delivery time there is an additional charge of £50 on the above.

Receipt of deliveries

- Standard delivery is assumed to allow clear access by a vehicle- of up to 40ft trailer size- to a ground floor location.
- IMPORTANT NOTE:** It is the responsibility of the Distributor/Specifier to ensure that adequate labour and/or manned handling equipment is available to off-load at the delivery point.
 - Additional charges may apply where these conditions are not met, unless otherwise agreed at time of order placement.
 - Waiting time will be charged for any delay, should unloading not commence within 30 minutes of the vehicle arriving at the site.
- The charge will be at the rate of £55 per half hour up to a maximum of 1 hour, after which it will be at our discretion to pull off site.
- Failed and Repeat Delivery conditions would then apply.

Failed and repeat deliveries

- Failed and Repeat Deliveries will be charged at cost dependant on location and required delivery date and time.
- If waiting time occurs prior to a failed delivery this will be charged at £55 per half-hour.
- Storage costs will be charged for any product that cannot be delivered by the agreed scheduled date.

Returns

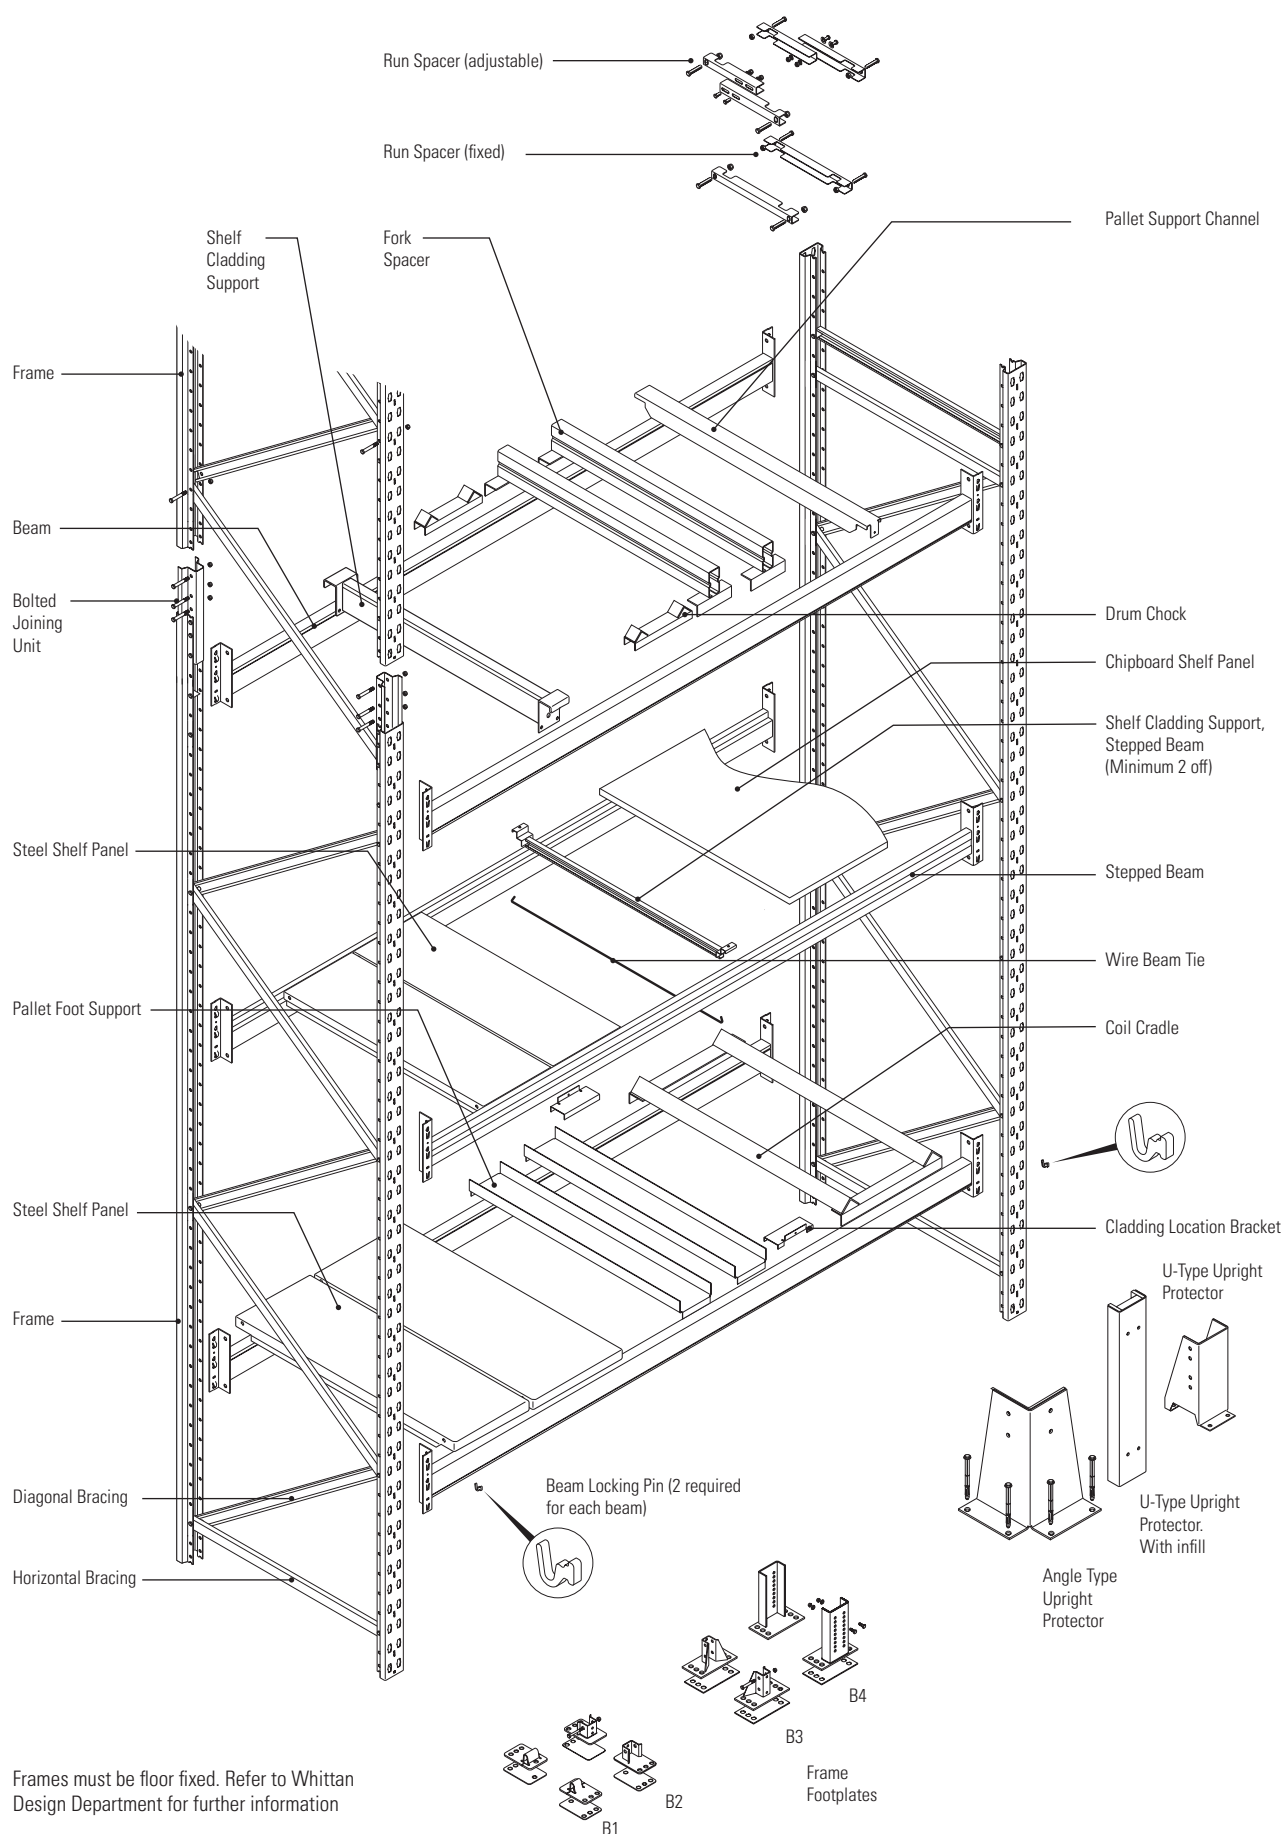

- Returns will only be accepted at our discretion in its original packaging and in delivered condition.

The information contained in this price list was accepted as correct at the date of publication. However, we reserve the right to make any necessary changes, in line with product development and trading conditions.

Although all reasonable care has been taken to make it as complete and accurate as possible, no liability can be accepted for any inaccuracies or omissions. E+OE.

Pallet racking system components

Exploded illustration of components

Box beams - 1050 to 4500 mm - £ each

Notes:

1. Prices are per Beam, excluding Locking Pins
(Part No. XLLP85ZC) - two required per beam.
2. B150, B155 & B160 Beams are for use with
Super-heavy duty frames only (loads specified are for
these beams fitted with 4-tongue connectors).
3. B130 & B140 Beams are for use with heavy duty
frames.
4. B070-B120 Beams (inclusive) are for use with
all frame types.
5. For Galvanised Beams and beams with 4T connectors
(other than B150 & B155), prices on application.
