Trolley Shelving

Looking for a flexible storage solution?

Then our range of mobile trolley shelving provides the perfect answer. Move goods safely and easily between work areas, making stock moveable, easy to replenish and secure. The fully welded base can support an array of the different bay sizes and configurations as well as each shelf being either a tray to stop goods falling off or a standard shelf (please specify when ordering).

- ★ Provide flexible storage solution
- ★ Fully welded base with castors
- ★ Move goods between work areas
- ★ Maximum bay load of 300kgs
- ★ Other sizes and specials available
