CABINET

ARMORGARD
security products

THE NEW, ORGANISED & ACCESSIBLE SECURE STORAGE SOLUTION...

Strong, Sturdy & Secure - Uses 50% less floor space than conventional security boxes.

THIS...?

The Tuffstor Cabinet™ provides a much more organised storage solution - you'll never have to waste time and risk damage to your tools or personal injury trying to locate something that's underneath everything else!

OR THIS...?

- Robust construction using 2mm steel plate
- Saves valuable floor space
 - Utilising height of van
- 2 x Adjustable Shelves
- 5-Lever Deadlocks - Serial Numbered for replacement keys
- Ideal for storing tool cases & fixings
- Optional quick-fit heavy-duty castor set
