armorgard
tuffstor™

The **TuffStor** high security walk-in store is the perfect solution for storing larger equipment or quantities of tools, and is designed to repel even the most determined thief. Spacious and adaptable, these robust purpose-built units are manufactured to a rigorous heavy-duty specification, and are not to be confused with shipping containers. Equally suited for fixed installation or use on building sites, **TuffStor** is available in a range of sizes and can also be customised to suit your exact requirements.
